Re: United States v. Fargesen, et al., 21 CR 602 (SDNY) (LAP)

Dear Judge Preska:

I am writing on behalf of defendant Vitaly Fargesen and with the consent of all parties to respectfully request a one week extension of the briefing schedule for the defendants' pretrial motions in the above-referenced case. The additional time that we seek will permit the defendants to better coordinate their filings so as to avoid any duplicative efforts. The proposed briefing schedule, which we do not believe would impact the February 2023 trial date, is as follows:

July 22, 2022: Defendants' pretrial motions to be filed

August 12, 2022: Government's opposition to be filed

August 19, 2022: Defendant's reply to be filed
